

Thanks for stepping up to volunteer this year

Fantastic job! For the five days of trail work this summer and one last winter, we got a lot

accomplished. I was amazed at the trail system at Wolf Run Nordic Area that ONC-PDX had built in the past. It is nice to step up and maintain the trails our club has built over the years and ski them. It is wonderful to hear from the Forest Service that they are glad ONC-PDX is around to work and maintain the trails that we love to ski.

On December 28, Ken Wenzel and Steve Rearden made a trip to Oldman Pass to open up Road 3053 that was blocked by downed trees from heavy snow, opening up access to McClellam Meadows a popular trail loop in the Wind River Area in Washington.

We went to Oldman Pass, June 9, to brush and limb Trail 151 and the OK Loop. The trail is cleaned up and ready to ski. That day we had David Rogers, Patrice Fromwiller, John Fromwiller, and Ken Wenzel.

Ken Wenzel

The Forest Service had been asking ONC-PDX to work on the trails at the Wolf Run Nordic Area. Very few people in ONC-PDX had even heard of the trails. So on June 12 David Rogers and I took our first trip to see what was there. I was again surprised at how many miles of trails that ONC-PDX had marked and constructed in the past.

On July 10, we had a fantastic turn out of 12 people and went to work on brushing and putting up Diamonds on the first part of the Wolf Run Trail. This was done by David Rogers, Richard Crimi, Julie Pohl, Mary Hepokoski, Greg Wenneson, Bill Newman, Barbara Hyman, Debby Wenzel, Patrice and John Fromwiller, Kathy Burns, and Ken Wenzel.

We went back to complete the loop at Wolf Run, July 19, with help from Bill Yaeger, Debby Wenzel, John Fromwiller, Marc Leon, and Ken Wenzel.

On August 13 we went up to work on the neglected Yellow Jacket Trail. Even though it was a warm day we had an amazing turn out of 10 people. We went to work brushing and installing diamonds. I was very pleased we made it as far as the PCT on the trail. Many thanks to Laurel Dickie, Steve Rearden, Debby Wenzel, Liana Rein, Marc Leon, Glenn Fenske, Patrice and John Fromwiller and William Neuman. I have since learned a Forest Service crew has gone thru and removed the large logs on the entire trail.

So with all your help we made a difference. Now pray for snow so we can use our trails. Thanks! ♦
Ken Wenzel, Trail Tending Coordinator

Snowvana, Preseason Nordic Festival, and Ski Fever

Snowvana: I would like to thank the following people for volunteering to help out at the ONC-PDX booth at Snowvana, the new ski show in Portland, on October 21–22: Susan Kelley, Royce Bishop, Nancy Novak, and Steve Reardon. With their help, we were able to speak with about 350 skiers about cross-country skiing and ONC-PDX. We collected about 35 names of people interested in the club; hopefully this will result in some new, energetic members. In addition, I would like to thank The Mountain Shop for providing our booth space and setup.

Preseason Nordic Fest: Although there will be more news about this event elsewhere in the newsletter, we are looking for several people to help out at the Pre-Season Nordic Fest at The Mountain Shop November 4–6.

Ski Fever: The Oregon Nordic Club Portland Chapter will be hosting a booth at Ski Fever, another ski show on November 4–6 at the Expo Center, to introduce more skiers to the club. We are really looking for help to tell people about ONC-PDX. You will get free admission and will be helping grow the club.

If you are willing to help grow membership and bring new vitality to the ONC-PDX by volunteering, please contact Ted Scheinman, teds skier@gmail.com, 503.452.7432. We are making a major effort to increase the membership this year. Volunteer and help us out. ♦

Gifford Pinchot National Forest

Bird Creek Meadows Access The Yakama Nation Mount Adams Recreation Area, on the south side of Mt. Adams, that was closed due to last year's Cougar Creek Fire is now accessible via the Round the Mountain Trail from the west. Hikers can now make the six mile round trip hike to Bird Creek Meadows and nine round trip to Hellroaring Overlook. The program manager of the Yakama Nation Tribal Forestry says that there are "a lot of safety issues" as a result of the fire and they will concentrate on roads and campgrounds before the trails that lead to the area from the south. The road as far as Mirror Lake was cleared this summer and fall. They hope to get the roads in condition for non-4WD vehicles. Access, from the road, next year will probably still be limited. The Friends of Mt. Adams has offered financial help and offered trail repair coordination with Washington Trails Association. ♦

Nov 23–27, Wed–Sun, All Ability Ski Thanksgiving in Sunriver, OR—an ONC-PDX Tradition One space available*

It's time to ski, eat turkey, and repeat. Eight of us will spend four nights in Sunriver Resort, arriving at our house Wednesday evening and carpooling to the Mt. Bachelor Nordic Center and environs to kick off the ski season on groomed and backcountry trails. Last year we—unusually—had snow in Sunriver, so skied out our door and around the resort as well as at the mountain. Other years we've headed into the backcountry. The Nordic Center, with its miles of groomed trails, is always open early in the season and offers a range of trails for beginning to experienced cross-country skiers and skaters. We'll also be prepared for hiking, and the resort has miles of paved walking and biking trails as well as a recreation center to which we will have passes. Folks can bring bikes, if so inclined. We, ONC-PDX skiers, have learned to be flexible, early in the year.

Sunriver Resort is 20 miles south of Bend, burdened by sunshine and dry snow. Our house is equipped with a hot tub, well-stocked kitchen and a fireplace. The area is also near the High Desert Museum, and some folks take time to wander through Sunriver Village or go to the holiday crafts fair. We will carpool there and organize potluck dinners. This is where ski season begins!

Trip limit: 8 participants (includes leaders)

Cost: \$195/member, per person, includes four nights lodging

Sign up on the ONC-PDX website, or send your overnight tour application and \$195 check payable to ONC Portland Chapter, to the leaders, Elke Schoen and David Blanchard (contact leaders for address). For more info contact Elke or David: 503.239.9286 elkeschoen@msn.com davidkblanchard@msn.com

Methow Valley, WA, New Year's Ski — Trip 1
Trip full, waiting list open***

Methow Valley is an outstanding, unique area that is ideally suited for both classic track skiing and skate skiing. The Methow Valley Association grooms over 200 kilometers of trail through the communities of Winthrop and Mazama. Trail elevations range from 2,000 to 4,000 feet. The snow conditions and trail quality makes the Methow Valley a skate skiers' mecca.

We will stay in two luxury condominiums in Winthrop with full accommodations. Plan on potluck dinners that we'll prepare in the fully equipped kitchens. Restaurants are always an option and are within skiing or walking distance along with grocery and convenience stores.

If you have considered learning to skate ski, lessons are available at Sun Mountain and in Mazama. In the past, several participants liked their new-found skill so much they decided to keep the rented skate skis for the entire trip—there is an ice skating rink in town.

Trip limit: 12 participants (includes leader)

Cost: \$250/member, per person, includes five nights lodging (Not included: \$60 groomed trail pass, carpool costs, lodging on the road, and meals)

Day Tours: No report—waiting for snow

Membership: William Yaeger reported 134 Memberships, 48 Family and 107 single, 104 members renew and 4 new members. 46 members used paper applications and 61 renewed online. ■ Ted Scheinman submitted his report and budget for 2017. ■ Ted is looking for people to staff the Snowvana ski show Oct. 21 and 22 also the Ski and Snowboard show in November. Ted asked Tim if the Northwest Ski Club Council dues have been paid?

Tilly Jane A-Frame: Andrè Fortin reported that at the first fundraiser selling T-shirts and beer glasses had a net income of about \$10,200 and 350-400 people attend. The next fundraiser is Nov. 10 at Double Mt. Brewing in Hood River. The board was very pleased with the results. He went on to discuss his meeting with the Forest Service and that to add the Tilly Jane Guard Station to our agreement it will need to be extended into 2019. We will have to sign a new agreement adding both the A-Frame and Guard Station into the same contract. Our insurance policy will cover both structures for liability. The Gorge Chapter will assist in managing the building, rented thru Reserve America Rec.gov ■ Mary B. will need to sign the new contract for the club, since the ONC State level will not. The board will approve the new agreement once documents are obtained.
