To Whom It May Concern,

Mt. Hood Meadows supports the Oregon Nordic Club and the restoration work they are leading for the Tilly Jane A-Frame.

We are a historic business near the trail head for the Tilly Jane area.

We recognize the importance of this structure and ask that any and all financial support and consideration be made available for the preservation and continued benefit of the Oregon community.

We seek to support this project with more than a financial donation. We also intend to promote its existence and highlight its proximity to our resort.

Thank you for your consideration.

Sincerely,
