

Tilly Jane A-Frame restoration

Thanks to everyone who attended one of the work parties held on July 16 and 23. Your commitment and hard work has put the cabin in position of being ready to begin the process of re-building the foundation footings and rafter logs.

André Fortin

On the July 16 we had 10 volunteers attend the work party and, on July 23, 16 volunteers attended. We hauled five yards of rock base material from the Tilly Jane Campground parking lot to the cabin. The old rafters were removed along with the old concrete piers (they are now in the Tilly Jane Campground parking lot waiting to be broken up and hauled away... another work project). New footings were located and dug. The 14 new support rafter beams were cut, and hauled from the area to the cabin (we may need a few more, if these don't meet construction criteria). The back area of the cabin was graded with the goal of managing rain and

snow runoff. We refurbished the woodstove (cleaned, wire brushed and painted). A new fire pit was installed along with bench seating behind the cabin. We reinforced the front door by adding several new hinges. All of the broken windows were repaired adding new framing, which will help tighten up the cold air leaks. We continued bucking up the downed trees with the goal of splitting them during the annual October Wood Haul Work Weekend (see page 4 for more photos).

Cabin usage in the summer has picking up over the past few years. If you're heading up this summer, please pardon the dust and be careful, as it's kind of a construction zone right now.

The fund-raising efforts are continuing on-line via Paypal. Our donation goal is \$100K. If we had roughly 7,000 people donate \$15 each, we'd be there! That's just the cost of a one-night stay at the cabin! Please help us reach this goal today! Every little bit helps. Tell your friends and encourage them to do their part. Visit the Tilly Jane donation page on our Website and make your name count. There will be several fund-raising events in early autumn so keep an eye out and attend if you can!

Yellowjacket Trail work

On Saturday, August 13 a "Cracker Jack" crew of ten

show up at the White River Sno-Park to work on the Yellowjacket Trail. We had six experienced trail tenders and four new trail tenders. We started on the open sun baked moraine using loppers on small trees and then worked our way into the cooler old growth forest. There was a full assortment of tree types to deal with: alder thickets, fir thickets, downed trees, and downed trees that had diamonds attached. We renamed the trail the huckleberry trail because of the abundance of ripe berries, which provided great snacking along the way. We completed tending up to the PCT Junction at one o'clock, by then it was getting hot and we decided to call it a day. Many thanks to Laurel Dickie, Steve Rearden, Debby Wenzel, Liana Rein, Marc Leon, Glenn Fenske, Patrice and John Fromwiller, and William Neuman. See page 3 for photos. ♦

ONC-PDX BOARD SKI TRACKS

The theme for the ONC-PDX Board this year is to “Build a club of engaged members.”

Our club membership has been fairly consistent over the years. During good snow years we get a few more members and in poor snow years a few less, just as you would expect. This year our focus is to get more of our existing membership involved in some aspect of the club. Of course, we aren't discouraging membership growth, but we aren't focusing on the number of members. Our goal entails getting more members actively participating. This includes reaching out to existing members electronically and personally. We also want new members to feel welcome through an ambassador program. As usual the club will be offering a fantastic array of overnight trips that you can read about in this issue.

Mary Bourret, *President*

Overnight Trips' program

The ONC-PDX overnight trip program is now administered by a committee of club members: the Chair Susan Watt, Sam Digard, and Ann Truax. Please use oncpdx.ontrip@gmail.com for all general communication regarding overnight trip administration. Your trip leader is still the contact for everything specific to the trip.

The overnight trip sign-up form will be revised for the upcoming season. Look for it in the October newsletter and on the website. When signing up for overnight trips, we now have the option of using the online system with a credit card or the tried and true method of mailing the application with a check to the trip leader. And most importantly, the first chance to sign up is at the Overnight Trip Extravaganza event at the Lucky Lab on October 4.

Be sure to bring the new form and a check when signing up at the October 4, Overnight Trip Extravaganza.

Sam Digard, *Overnight Trip Committee*

Nov 23–27, Wed–Sun, All Ability Ski Thanksgiving in Sunriver, OR—an ONC-PDX Tradition

It's time to ski, eat turkey, and repeat. Eight of us will spend four nights in Sunriver Resort, arriving at our house Wednesday evening and carpooling to the Mt. Bachelor

Nordic Center and environs to kick off the ski season on groomed and backcountry trails. Last year we—unusually—had snow in Sunriver, so skied out our door and around the resort as well as at the mountain. Other years

we've headed into the backcountry. The Nordic Center, with its miles of groomed trails, is always open early in the season and offers a range of trails for beginning to experienced cross-country skiers and skaters. We will also be prepared for hiking, and the resort has miles of paved walking and biking trails as well as a recreation center to which we will have passes. Folks can bring bikes, if so inclined. We, ONC-PDX skiers, have learned to be flexible, early in the year.

Sunriver Resort is 20 miles south of Bend, burdened by sunshine and dry snow. Our house is equipped with a hot tub, well-stocked kitchen and a fireplace. The area is also near the High Desert Museum, and some folks take time to wander through Sunriver Village or go to the holiday crafts fair. We will carpool there and organize potluck dinners. This is where ski season begins!

Trip limit: 8 participants (includes leaders)

Cost: \$195/member, per person, includes four

nights lodging

Sign up at the Overnight Trip Extravaganza in October. Afterwards, you may sign-up on the ONC-PDX website, or send your overnight tour application and \$195 check payable to ONC Portland Chapter, to the leaders, Elke Schoen and David Blanchard. For more info contact Elke or David: 503.239.9286 elkeschoen@msn.com and davidkblanchard@msn.com

Dec 27–Jan 1, Tue–Sun, All Ability Ski Methow Valley, WA, New Year's Ski—Trip 1

Methow Valley is an outstanding, unique area that is ideally suited for both classic track skiing and skate skiing.

Amanda Solonika

The Methow Valley Association grooms over 200 kilometers of trail through the communities of Winthrop and Mazama. Trail elevations range from 2,000 to

4,000 feet. The snow conditions and trail quality makes the Methow Valley a skate skiers' mecca.

We will stay in two luxury condominiums in Winthrop with full accommodations. Plan on potluck dinners that we'll prepare in the fully equipped kitchens. Restaurants are always an option and are within skiing or walking distance along with grocery and convenience stores.

If you have considered learning to skate ski, lessons are available at Sun Mountain and in Mazama. In the past, several participants liked their new-found skill so much they decided to keep the rented skate skis for the entire trip. Speaking of skating, there is even an ice skating rink in town.

Trip limit: 12 participants (includes leader)

Cost: \$250/member, per person, includes five nights lodging (Not included: \$60 groomed trail pass, carpool costs, lodging on the road, and meals)

Sign up at the Overnight Trip Extravaganza in October. Afterwards, you may sign-up on the ONC-PDX website, or send your overnight tour application and \$250 check payable to ONC Portland Chapter, to the trip leader, Ted Scheinman. For more info contact Ted: 503.452.7432 tedskier@gmail.com

Jan 6–8, Fri–Sun, All Ability Ski Ochoco Mountains, Prineville, OR—Trip 1

We will ski in the Ochoco Mountains, about 30 miles east of Prineville, in a relatively remote area of Oregon to take advantage of the dry snow and wonderful views. For two nights we will stay in a former forest ranger cabin with three bedrooms, one and a half bathrooms. It has electric heat, a fireplace, and garage but no cell reception! The cabin is 20 minutes from the sno-park, so you can get in a great day of skiing with almost no drive. There are wild horses that often walk right through the front yard.

Trip limit: 7 participants (includes leader)

Cost: \$35/member, per person, includes two nights lodging

Sign up at the Overnight Trip Extravaganza in October. Afterwards, you may sign-up on the ONC-PDX website, or send your overnight tour application and \$35 check payable to ONC Portland Chapter, to the trip leader, Ken Wenzel. For info contact Ken: 503.297.2958 skiwenzel@hotmail.com

While this is an all ability ski, the group usually divides into two ski groups, one doing intermediate to advance backcountry skis and the other doing easy to intermediate skis. We will stay three nights in a house with two bedrooms and a loft, which will accommodate ten people. We will cook communally for breakfasts and dinners.

Eight Nordic club members will return to the sunny side of the state for four nights at Sunriver Resort, 20 miles south of Bend, and three days of skiing at and around Mt.

Bachelor. By mid-January the snow is deep, and we can ski from all of the sno-parks near the mountain or at the Mt. Bachelor Nordic Center. There is something for everyone in this area—groomed trails, skating and

backcountry. We will carpool to Sunriver and to the trails each day and will arrange potluck dinners. There are also restaurants and a supermarket in Sunriver. The resort offers miles of paved walking and cycling trails, and we will have passes to the recreation center. After our labors, we can relax by the fireplace or in the hot tub. Some folks enjoy walking to Sunriver Village to browse the shops, to the Nature Center or to the observatory. Other years, we have also skied at Paulina Peak or hiked to waterfalls.

and stay at an amazing property, The Good Bear Ranch. It is a 5,200 square foot log cabin that is 11 miles Northwest of Baker City. The Cabin has seven bedrooms and three baths with two floor to ceiling

stone fireplaces with dining table for 14 people. The cabin is sited on 320 acres on the edge of the National Forest. Last year we spent almost a whole day skiing on the property and on the forest roads above. We'll also ski Anthony Lakes, which offers 30 KM of groomed double track and 11 KM of single track trail skiing and one ski lift if you get tired of climbing. Anthony Lakes has a day lodge, built by the CCC, with food and drink available. For those interested in lift skiing it offers 1,100 acres served by one lift. There is also some amazing backcountry skiing for those that want to skin up to the higher peaks. To the south, there are some really nice high passes that offer some great cross-country tours. There is great wildlife viewing of elk, eagles, and turkeys. We will drive home on January 30, 2017.

Access

to High Camp is via an eight-mile private road via truck and snowmobile: no need to part with favored treats and creature comforts this time (it will be hauled for you.) High Camp consists of nine rustic cabins each with its own wood burning stove and stocked kitchen, a comfortable day lodge, hot tub, and sauna. At 5,000 feet, Scottish Lakes is just far enough east of the Cascade crest to offer blue skies, sunshine and dry powdery snow. Three Sisters Hut to Hut Trip**

This is a 22-mile hut-to-hut trip from Dutchman Flat near Mt. Bachelor to Three Creeks Sno-Park near Sisters. The route roughly follows the historic Metolius Windigo Trail at 6,500 feet, on the Eastern edge of the Three Sisters Wilderness area. We will meet our shuttle Friday at 8:00 a.m. at Three Creeks near Sisters. Friday and Saturday

nights will be spent in huts along the route and Sunday evening we will drive home from Three Creeks. The terrain will be ungroomed, rolling to gentle slopes and will not be subject to avalanche danger. The two huts are fully stocked with food, beds, wood stove and cooking facilities. They provide sleeping bags as well; so you only need to carry a bag liner and your personal gear and clothing! We can't anticipate the weather so the snow conditions could vary from untracked powder to icy and anything in-between. Since the distance between huts is only eight miles on average there should be time for additional skiing and exploring opportunities. For what is provided and photos of the huts, use this link: threesistersbackcountry.com/huts/nordic-traverse-huts

Trip limit: 8 (includes leader)

Journey to Africa

I had long dreamed of a trip to Africa to see big animals. After a lot of research, I ended up taking an 11-day bush camping safari in Botswana. That rather arduous and wild experience—yikes! Hyenas, a leopard, a jackal right in our camps at night—was followed by four days at a luxury lodge, where each thatched-roof “cottage” has its own wildlife watering hole out back. The safari and lodge both involved a long safari drive in the morning and in the evening. I kept a journal and on a whim, kept writing down counts of all the big animals I saw. The surprising total: 5,619.
