

Himalayan Dreams—the quest for Kumari

Photographer Peter Marbach volunteered on a humanitarian expedition to the remote Himalayan village of Kumari to document the amazing life story of trekking guide Jagat Lama. Jagat's rise from poverty and his heroic efforts to bring health care, education, and a women's skills center to his village were featured in the film "Kumari: The Jagat Lama Story." Marbach will share stories and images of village life in Kumari, the colorful chaos of Kathmandu, the unspeakable beauty of the Himalayas, and his own healing journey en route to Everest.

Peter has co-authored five coffee table books and produced several of the iconic Mt. Hood Jazz Festival commemorative posters.
