

Join us at the Annual Picnic!

Come enjoy a picnic in the park with your fellow club members.

Covid-19 club rules:

- No shared food or drinks. Everyone brings their own food and drinks.
- Bring a folding chair and plan to sit in a circle on the grass, well away from others. People from the same household can sit at a table if they prefer.
- Bring a mask, and plan to wear it when not eating, especially if you are within six feet of others.
- All garbage, including recycling, must be carried off site. Please bring a bag and plan to take out what ever you bring in as well as any plates, cups or silverware you use.

Thank you for your help in following these rules. We want to keep this a tradition for many years to come!
